

Externally Accredited Results 2020

Level 2 Qualifications - 2 students in year 11 gained a Level 2 qualification in BTEC Home Cooking Skills, this is GCSE grade 4 equivalent. This was a lower figure than last year however the cohort was significantly lower and only these two students in year 11 opted to do this subject. This therefore represents a 100% achievement rate and is above predicted.

In addition to our year 11 students, one of our year 9 pupils achieved this level 2 qualification during the 2019/20 school year, 2 years early – this is an outstanding achievement!

Level 1 Qualifications - 8 of our Y11 pupils achieved at least one Level 1 qualification by the end of KS4, representing 80% of the cohort and remaining at around the same percentage result as in previous years. 4 of these achieved 3 or more Level 1 qualifications and 1 achieved 5 or more.

1 pupil achieved 5 or more Level 1 qualifications including English and Maths. Percentage wise this is 10% - remaining similar to results achieved in previous years.

5 of our students attend an alternative provision to access a hair and beauty placement. This year we were the only centre using this provision to achieve Merits and Distinctions on the VTCT Level 1 Extended Award in Hair and Beauty Skills (VRQ)

Entry Level Certificate – 100% of the year 11 students achieved an Entry Level Certificate in Maths and English. All 10 achieved at least 5 Entry Level qualifications including Maths and English, this exceeds the previous 2 years which is outstanding.

Due to the COVID pandemic, schools were asked to advise exam boards of anticipated results. Epinay's submissions were accepted and approved prior to this becoming the national guidance. An example of outstanding quality assurance and best practice principles.
