1. POLICY STATEMENT

Epinay Business and Enterprise School is fully committed to safeguarding and promoting the welfare of all its pupils. Every member of staff recognises that safeguarding against radicalisation and extremism is no different to safeguarding against any other vulnerability in today's society. The Tackling Extremism and Radicalisation Policy sets out our beliefs, strategies and procedures to protect vulnerable individuals from being radicalised or exposed to extremist views, by identifying who they are and promptly providing them with support.

2. LINKS TO OTHER POLICIES

The Policy links to the following Epina Business and Enterprise School policies;

- Child Protection and Safeguarding
- Equal Opportunities
- Anti-bullying Policy
- Positive Behaviour Management Policy
- E-Safety Policy.

The following national guidelines should also be read when working with this policy;

- PREVENT Strategy HM Government
- Keeping Children Safe in Education DfE 2014

- Working Together to Safeguard Children HM Government 2013.

3. AIMS AND PRINCIPLES

3.1 The Policy is intended to provide a framework for dealing with issues relating to vulnerability, radicalisation and exposure to extreme views. We recognise that we are well placed to be able to identify safeguarding issues and this policy clearly sets out how the school will deal with such incidents and identifies how the curriculum and ethos underpins our actions.

3.2 The objectives are that:

- All governors, teachers, teaching assistants and non-teaching staff will have an understanding of what radicalisation and extremism are and why we need to be vigilant in school.
- All governors, teachers, teaching assistants and non-teaching staff will know what the school policy is on tackling extremism and radicalisation and will follow the policy guidance swiftly when issues arise.
- All pupils will understand the dangers of radicalisation and exposure to extremist views; building resilience against these and knowing what to do if they experience them.
- All parents/carers and pupils will know that the school has policies in place to keep pupils safe from harm and that the school regularly reviews its systems to ensure they are appropriate and effective.

3.3 The main aims of this policy are to ensure that staff are fully engaged in being vigilant about radicalisation; that they overcome professional disbelief that such issues will not happen here and ensure that we work alongside other professional bodies and agencies to ensure that our pupils are safe from harm.

4. DEFINITIONS AND INDICATORS

4.1 Radicalisation is defined as the act or process of making a person more radical or favouring of extreme or fundamental changes in political, economic or social conditions, institutions or habits of the mind.

4.2 Extremism is defined as the holding of extreme political or religious views.

4.3 There are a number of behaviours which may indicate a child is at risk of being radicalised or exposed to extreme views. These include;

- Spending increasing time in the company of other suspected extremists.
- Changing their style of dress or personal appearance to accord with the group.
- Day-to-day behaviour becoming increasingly centred on an extremist ideology, group or cause.
- Loss of interest in other friends and activities not associated with the extremist ideology, group or cause.

- Possession of materials or symbols associated with an extremist cause.
- Attempts to recruit others to the group/cause.
- Communications with others that suggests identification with a group, cause or ideology.
- Using insulting to derogatory names for another group.
- Increase in prejudice-related incidents committed by that person – these may include;
 - physical or verbal assault o provocative behaviour
 - damage to property
 - derogatory name calling
 - possession of prejudice-related materials o prejudice related ridicule or name calling
 - inappropriate forms of address o refusal to co-operate
 - attempts to recruit to prejudice-related organisations
 - condoning or supporting violence towards others.

5. PROCEDURES FOR REFERRALS

5.1 Although serious incidents involving radicalisation have not occurred at Epina Business and Enterprise School to date, it is important for us to be constantly vigilant and remain fully informed about the issues which affect the local area, city and society in which we teach. Staff are reminded to suspend any ‘professional disbelief’ that instances of radicalisation ‘could not happen here’ and to be ‘professionally inquisitive’ where concerns arise, referring to any concerns through the appropriate channels. (See appendix 1 – Dealing with referrals).

5.2 We believe that it is possible to intervene to protect people who are vulnerable. Early intervention is vital and staff must be aware of the established processes for front line professionals to refer concerns about individuals and/or groups. We must have the confidence to challenge, the confidence to intervene and ensure that we have strong safeguarding practices based on the most up-to-date guidance and best practise.

5.3 All members of the Strategic Leadership Team (SLT) are trained in Child Protection and Safeguarding and will deal swiftly with any referrals made by staff or with concerns reported by staff. Lynne Murphy is DSL and Chris Rue is deputy lead.

5.4 The Head Teacher will discuss the most appropriate course of action on a case-by-case basis and will decide when a referral to external agencies is needed (see appendix 1 – Dealing with referrals) .

5.5 As with any child protection referral, staff must be made aware that if they do not agree with a decision not to refer, they can make the referral themselves and will be given the contact details to do this via the safeguarding board in the staffroom.

6. GOVERNORS, LEADERS AND STAFF

- 6.1 The governing body will undertake appropriate training to ensure that they are clear about their role including their statutory safeguarding duties. The governing body will support the ethos and values of the school and will support the school in tackling extremism and radicalisation.
- 6.2 The Head Teacher, DSL, Deputy Head and MAKW are the leaders for referrals relating to extremism and radicalisation. In the unlikely event that no SLT members and the Head Teacher are available, all staff know the channels by which to make referrals through the safeguarding policy.
- 6.3 Staff will be fully briefed about what to do if they are concerned about the possibility of radicalisation relating to a pupil, or if they need to discuss specific children whom they consider to be vulnerable to radicalisation or extremist views.
- 6.4 The SLT will work in conjunction with the Head Teacher, Pastoral Care Team and external agencies to decide the best course of action to address concerns which arise.
- 6.5 Prejudicial behaviour can be a factor in radicalisation and extremism. With this in mind Epinay Business and Enterprise School has updated procedures for dealing with prejudicial behaviour, as outlined in the Positive Behaviour Policy and Equality Policy.

7. THE ROLE OF THE CURRICULUM

- 7.1 Our curriculum promotes respect, tolerance and diversity. Pupils are encouraged to share their views and recognise that they are entitled to have their own different beliefs which should not be used to influence others. We strive to eradicate the myths and assumptions that lead to some young people becoming alienated and disempowered.
- 7.2 Our PSHE provision is embedded across the curriculum. It directs our assemblies and underpins the ethos of the school. It is recognised that children with low aspirations are more vulnerable to radicalisation and therefore we strive to equip our pupils with confidence, self-belief, respect and tolerance as well as setting high standards and expectations for themselves. Alongside these pupils are encouraged to develop a positive sense of identity through critical thinking skills.
- 7.3 Pupils are regularly taught about how to stay safe when using the internet and are encouraged to recognise that people are not always who they say they are online. They are taught to seek adult help if they are upset or concerned about anything they read or see on the internet. (see E-Safety Policy).
- 7.4 Flexible teaching approaches enable us to address specific and current issues of extremism and radicalisation. Pupils are encouraged to connect through a pupil centred approach in a safe space where they can discuss their feelings and views on a range of social, religious and cultural issues.

8. STAFF TRAINING

CPD opportunities are provided by Clennell Safeguarding Services and South Tyneside Safeguarding Board to all governors and staff. We will ensure that our staff are fully aware of the threats, risks and vulnerabilities that are linked to radicalisation; are aware of the process of radicalisation and how this might be identified early on and are aware of how we can provide support as a school to ensure that our children

are resilient and able to resist involvement in radical or extreme activities. The DSL will attend relevant training courses as necessary and appropriate to the role.

9. VISITORS AND THE USE OF SCHOOL PREMISES

9.1 All visitors entering school are subject to and then they will be subject to Safeguarding Checks including DBS checks and photo identification. Children are never left unsupervised with external visitors, regardless of safeguarding check outcomes.

9.2 Upon arriving at the school, all visitors including contractors, will read the **child protection and safeguarding guidance** and be made aware how to report any concerns which they may experience.

9.3 If any agreement is made to allow non-school groups or organisations to use the premises, appropriate checks will be made before agreeing the contract. Usage will be monitored and in the event of any behaviour not in-keeping with the Tackling Extremism and Radicalisation Policy.

10. RECRUITMENT

The arrangements for recruiting staff and volunteers follow national guidance for safer recruitment best practice in an education setting. This ensures an ongoing culture of vigilance within our school and minimises the opportunities for extremist views to prevail.

Appendix 1

Indicators that may suggest pupils could be vulnerable to radicalisation

This document is not an exhaustive / definitive list and at all times staff must use professional judgement and where concerns are identified, seek advice from a DSL.

Vulnerability

- Identity Crisis - Distance from cultural/ religious heritage and uncomfortable with their place in the society around them

Access to extremism / extremist influences

- Is there reason to believe that the child/young person associates with those known to be involved in extremism - either because they associate directly with known individuals or because they frequent key locations where these individuals are known to operate? (e.g. the child/young person is the partner, spouse, friend or family member of someone believed to be linked with extremist activity)
- Does the child/young person frequent, or is there evidence to suggest that they are accessing the internet for the purpose of extremist activity? (e.g. Use of closed network groups, access to or distribution of extremist material, contact associates covertly via Skype/email etc)

- Is there evidence of extremist ideological, political or religious influence on the child/ young person from within or outside UK?

It is important to recognise that many people may be emotionally affected by the plight of what is happening in areas of conflict (i.e. images of children dying) it is important to differentiate them from those that sympathise with or support extremist activity

Dealing with Referrals

Dealing with referrals we are aware of the potential indicating factors that a child is vulnerable to being radicalised or exposed to extreme views, including peer pressure, influence from other people or the internet, bullying, crime and anti-social behaviour, family tensions, race/hate crime, lack of self-esteem or identity, prejudicial behaviour and personal or political grievances In the event of prejudicial behaviour the following system will be followed;

- All incidents of prejudicial behaviour will be reported directly to the SLT or the Head Teacher.
- All incidents will be fully investigated and recorded in line with the Positive Behaviour Policy and records will be kept in line with procedures for any other safeguarding incident.
- Parents/carers will be contacted and the incident discussed in detail, aiming to identify motivating factors, any changes in circumstances at home, parental views of the incident and to assess whether the incident is serious enough to warrant a further referral. A note of this meeting is kept alongside the initial referral in the Safeguarding folder.
- The SLT follow-up any referrals for a period of four weeks after the incident to assess whether there is a change in behaviour and/or attitude. A further meeting with parents would be held if there is not a significant positive change in behaviour.
- If deemed necessary, serious incidents will be discussed and referred to Jon Needham, fCAF Co-ordinator in South Tyneside or South Tyneside Children's Services on 03000115670.
- In the event of a referral relating to serious concerns about potential radicalisation or extremism, the school will also contact Northumbria Police Protection Team 101 extension 62957 or 62778 or Channel police Practitioner Prevent Team, Special Branch Northumbria Police 01661 863108 Ext 63108 or Mobile Sharon Ross 07764978181.
