

Intimate Care Policy

Statement of intent

Epinay School takes the health and wellbeing of its pupils very seriously. The school aims to support pupils with physical disabilities and illnesses to enable them to have a full and rich academic life whilst at school.

We recognise our duties and responsibilities in relation to the Equality Act 2010, which states that any pupil with an impairment affecting their ability to carry out normal day-to-day activities must not be discriminated against.

Pupils will always be treated with care and respect when intimate care is given, and no pupil will be left feeling embarrassed.
