

Epinay Business and Enterprise School parent and carer feedback

You told us.....

We acted.....

To offer different types of EHCP formats for the meetings.

Transport applications are difficult to complete so could support be given?

Transport applications are now completed in school with a member of the parent, admin team and the LA transport team

All EHCP meetings can be on-line, face to face or over the telephone.

Parents would like support addressing sexual awareness with children

Parents have requested behaviour management strategies around students with ASD

Support offered through referrals to outside agencies , advice provided through SLT and teaching staff

Support offered through Relationship works as well as parental workshops

Autumn Term Views 2023
